## County-Wide Teams

Rockingham County also offers a variety of teams open to any member of a 4-H Community Club. Individual and team areas included dairy, livestock, poultry, stockmans, shooting sports, and the inter-state exchange. If you have an interest in participating on or coaching a 4-H team, please contact the Extension Office.

## Adult Volunteering with 4-H

One of the most important aspects of the 4-H program is the interaction between trained, caring adults and youth. In this way knowledge and life-skill is passed from one generation to the next and positive role models are provided to give guidance to developing young adults. If you think you might be interested in making a difference in your community, contact 4-H today to learn how you can help “make the best better.”

4-H is a non-profit youth

development organization that specializes in using hands-on opportunities to educate and empower. Joining a 4-H community club is free and many of the activities offered at the county level are also free or low-cost.

While 4-H was started primarily to focus on agricultural and home economic education, over the years it has grown to include activities in **SCIENCE, ENGINEERING, TECHNOLOGY, LEADERSHIP and CHARACTER DEVELOPMENT, OUTDOOR ADVENTURES and MUCH MORE!**
